

BECOME A LEADER!

Context

The American Chamber of Commerce in Romania (AmCham Romania) decided to embrace this year a brand new idea, extending its mission from actual business leaders to the ones that are now shaping their careers.

Future business leaders are part of the solution for a healthy, viable economic future everywhere in the world, Romania being no exception. The young, skilled, professionals are inspirational and will put their energy in developing existing businesses, attracting new investments and reaching a better level of competitiveness of Romania's economy.

Aim of the project

The aim of the program is to give to those talents an unique opportunity to watch, interact and learn from top business elites in the country and with this gain a significant impact on own perspectives and visions related to future professional paths as well as to bring the top Romanian young minds together in order to think, vision and take ownership in regard to the future of the country.
